AMENDING ORDINANCE GRANTING FRANCHISE TO TELEVISION SIGNAL CORPORATION BY ADDING SECTION 2A PROVIDING THAT GRANTEE'S CONSTRUCTION PLANS MUST BE SUBMITTED TO THE BOARD OF SUPERVISORS FOR APPROVAL, THAT PUBLIC HEARINGS BE HELD REGARDING THE CONSTRUCTION PLANS AND PROHIBITING FURTHER CONSTRUCTION BY THE GRANTEE IN THE ABSENCE OF THE BOARD'S APPROVAL.

Section 1. Ordinance No. 105-64 is hereby amended by adding Section 2A thereto reading as follows:

SEC. 2A. As soon as practicable after the date of the adoption of this amendment, but in no event later than sixty (60) days after such adoption, the Grantee shall submit to the Board of Supervisors its proposed plans for construction in the franchise area. Such plans shall be embodied on a map which will depict the area covered by the franchise and indicate the proposed construction plans for the franchise area and the planned commencement and completion dates of said construction.

After receipt of said plans, and prior to making any determination with respect thereto, appropriate hearings of the Board of Supervisors on the proposed plans shall be held, at which time the Grantee shall have an opportunity to appear and be heard.

The Board shall render its approval or disapproval of the Grantee's proposed construction plans within sixty (60) days of receipt of same and failure by the Board to issue its approval or disapproval within the aforementioned sixty (60) day period shall be deemed to constitute an approval of the proposed plans by the Board.

If, at the conclusion of said hearings, the Board determines that the proposed plans fail to provide the opportunity for cablevision service on a basis which is reasonable and equitable to both the Grantee and the residents of the City and County of San Francisco, the Board shall, by resolution disapprove the proposed plans or portions thereof.

In the event of the disapproval of the plans by the Board, the Grantee shall be prohibited from engaging in any "new construction" in the franchise area until such time as the Grantee's plans for construction are approved by the Board of Supervisors. "New construction" is defined as work being done underground or attached overhead to

poles on any strand which was not underground or attached overhead on the date construction plans were disapproved; provided, however, that the term "new construction" shall not be so construed as to be in conflict with the provisions of Sections 906, 907 and 908 of Article 18, Chapter X of the Public Works Code of the City and County of San Francisco, nor shall it prevent or delay the completion of "construction in progress." The term "construction in progress" shall include those "application areas" as defined by Pacific Gas & Electric Company and/or Pacific Telephone & Telegraph Company for which the Grantee has executed engineering contracts with said utilities and which are in force at such time as plans are submitted to the Board of Supervisors. "Application areas" shall not include any areas for which the Grantee has executed engineering contracts with said utilities after December 1, 1973, at a rate which exceeded that of the immediately preceding twelve months, which rate Grantee has represented as an average of two areas per month.

Notwithstanding anything to the contrary contained herein, the Board of Supervisors may, by resolution, authorize the Grantee and the Grantee may elect to undertake "new construction" in parts of the franchise area under such terms and conditions as may be set forth in the resolution.

Notwithstanding anything to the contrary contained herein, the disapproval of the Grantee's plans or any revisions thereof shall not constitute grounds for forfeiture or termination of the franchise.

In the event of disapproval of all or part of the Grantee's plans, the Grantee may within forty-five (45) days of notice of said disapproval request reconsideration of said disapproval, and/or submit a revision of its original plans or disapproved portion thereof, to the Board of Supervisors for its approval. In the case of any such revision, the Grantee shall try, to the extent practicable, to meet the objections of such plans or portion thereof.

After receipt of said revision or request for reconsideration and prior to making any determination with respect to said revision or request, appropriate hearings shall be held thereon, at which time the Grantee shall have an opportunity to appear and be heard.

The Board shall render its decision to the Grantee's request

for reconsideration or to the Grantee's revised plans within ninety (90) days of the Grantee's submission of its request or revised plans. If the revised plans have not been disapproved or the request denied within ninety (90) days of said submission, they shall be deemed approved.

In the event the revised plans are disapproved, the Grantee may submit further revised plans, but such further revised plans shall not be deemed approved until the Board of Supervisors, by resolution, specifically approves such further revised plans.

Upon approval of the plans, the Grantee shall, as soon as is practicable, commence and diligently pursue the work set forth in the construction plans in a timely manner so as to meet the construction date. This obligation shall be regarded as part of the terms and conditions of the franchise grant. Upon approval of the plans, the Grantee shall not engage in any construction other than construction in conformity with the approved plans. The Board shall have the right to terminate the franchise in the event the Grantee shall fail to substantially comply with said terms and conditions; provided, however, that the time for commencement and completion of construction shall be extended in the event the Grantee, acting in good faith, experiences delays due to circumstances beyond its reasonable control.

ORDINANCE VACATING PORTIONS OF OCTAVIA AND HEMLOCK STREETS WITHIN THE WESTERN ADDITION APPROVED REDEVELOPMENT AREA A-2.

Be it Ordained by the People of the City and County of San Francisco:

Section 1. On October 29, 1973, the Board of Supervisors adopted Resolution No. 728-73, to vacate portions of Octavia Street between Post Street and Sutter Street and Hemlock Street between Laguna Street and Octavia Street as shown on Diagram SUR 1973, a copy of which is on file in the office of the Clerk of the Board of Supervisors, which resolution was approved by the Mayor on November 1, 1973.

Section 2. The Clerk of the Board of Supervisors did transmit to the Department of Public Works a certified copy of said resolution, and said Department did, upon receipt of said certified resolution, caused to be posted in the manner and as required by law, notice of the passage of said resolution.

Section 3. When said matter was considered as scheduled by the Board of Supervisors at its regular meeting held in the City Hall, San Francisco, on December 3, 1973, and subsequent meetings, the Board considered all protests or objections to the proposed vacation.

Section 4. The public interest and convenience require the vacation to be done as declared in said Resolution No. 728-73.

Section 5. The Board of Supervisors has acquired jurisdiction to order said vacation provided for in Resolution No. 5813 adopted August 13, 1964, and Resolution No. 6571 adopted July 23, 1970, of the City Planning Commission which provides for the said vacation of said portions of Octavia and Hemlock Streets.

Section 6. The vacation shall be done subject to the conditions as set forth in the Declaration of Intention to Order the said Vacation.

Section 7. The said portions of Hemlock Street and Octavia Street are hereby ordered vacated and said vacation shall become effective as to any part thereof upon completion of all conditions and when a deed thereto from the City to the Redevelopment Agency of the City and County of San Francisco has been recorded. Provided further that this legislation shall be null and void if the deed or deeds to the subject street areas have not been recorded within two years from the date of adoption of this ordinance.

Section 8. The Mayor and the Clerk of the Board of Supervisors, on behalf of the City, be and they are hereby authorized to execute, and the Director of Property shall deliver a quitclaim deed or quitclaim deeds to said Redevelopment Agency of the City's interest in the land within such street areas. Where applicable, the deed or deeds shall be subject to the reservations set forth in said Declaration of Intention.

Section 9. The Clerk of the Board of Supervisors is hereby directed to transmit to the Recorder and the Department of Public Works, a certified copy of this Ordinance and the said Recorder and Department of Public Works are hereby directed to proceed thereafter as required by law.

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTION 8.16 THEREOF, RELATING TO FILING OF ANNUAL REPORTS AND OFFICIAL DOCUMENTS WITH CITY LIBRARIAN, TO PROVIDE THAT ALL BOARDS, COMMISSIONS AND COMMITTEES SHALL SUBMIT COPIES OF ALL AGENDAS AND MINUTES OF THEIR ACTIONS TO THE CITY LIBRARIAN; REQUIRING RETENTION OF SAID DOCUMENTS THEREBY FOR A MINIMUM PERIOD OF NINETY (90) DAYS; AND PROVIDING PENALTY FOR ANY VIOLATION HEREOF.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Section 8.16 of the San Francisco Administrative Code is hereby amended to read as follows:

Sec. 8.16. Filing of annual reports and official documents with city librarian.

It shall be the duty of every official, board, commission or department, who or which publishes an annual report or other official published documents, relative to the affairs under his or its control or related to his or its functions, to file at least two copies thereof with the City Librarian of the San Francisco Public Library within ten days after publication of each such report or document.

Further, it shall be the duty of the secretary or other executive officer of each board, commission or committee thereof, to file with the City Librarian a copy of the agenda of each meeting of such board, commission or committee thereof, at least twenty four (24) hours prior to the time of such meeting. In addition, such secretary shall file with the City Librarian a copy of the minutes of the action taken at any meeting of such board, commission or committee thereof within five days of the date of such meeting. Any corrections, additions or amendments of said minutes shall be filed with the City Librarian within five days after the date of any such correction, addition or amendment. The City Librarian shall retain such copies of agendas and minutes for a minimum period of ninety (90) days.

The reports or documents required to be filed pursuant to the provisions of this section shall be made available by the City Librarian for reference thereto by the people of the city and county.

Any violation of the provisions of this section on the part of any elective officer or any member of any board or commission shall be deemed to be official misconduct and any violation of the provisions of this section on the part of any employee shall be deemed to be inattention to duties and considered good cause for suspension or dismissal from service.

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTIONS 2.4, 2.23, 2.31 AND 2.34 THEREOF, RELATING TO APPROVAL OF ARGUMENTS ON BALLOT MEASURES; PROCEDURE FOR SUBMISSION OF CHARTER AMENDMENTS AND BONDED INDEBTEDNESS PROPOSALS TO ELECTORS.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by amending Sections 2.4, 2.23, 2.31 and 2.34 thereof, to read as follows:

Sec. 2.4. Resolution approving of arguments, etc., submitted by Board to electorate.

Resolution generally. Any printed argument in favor of a measure submitted to the electorate by the Board of Supervisors shall be approved, and authorized for mailing to the electorate by the Registrar of Voters, by resolution of the Board. The full text of such argument, including endorsements thereof, shall be set forth or included by reference in the resolution.

DOCUMENTS
JAN 25 1974
SAN FRANCISCO PUBLIC LIBRARY

Endorsement to be incorporated; filing of original with Clerk. Any endorsement of such argument shall be incorporated in, and approved by resolution of the Board as part of, such argument. The written original of the endorsement, signed by the individual endorser or the duly authorized agent of an endorsing organization, shall be filed with the Clerk of the Board of Supervisors within the time limit hereinafter prescribed.

When filing and approval is required. The complete text of the argument, and signed originals of endorsements to be incorporated therein, must be filed with the Clerk of the Board of Supervisors not later than the 71st day prior to the election at which the related measure will be acted upon by the electors. The resolution approving such argument shall be adopted by the Board of Supervisors not later than the 56th day prior to the election.

Vote to be indicated. The argument as mailed to the electorate shall indicate, by ayes and noes, the vote of the Board of Supervisors

pursuant to which the resolution approving the argument was adopted.

Conformity with section. No argument or endorsement purporting to be authorized by the Board of Supervisors shall be accepted by the Clerk of the Board or mailed to the electorate by the Registrar of Voters unless it is in conformity with the regulations set forth in this section.

Sec. 2.23. Procedure for submission of proposed Charter amendments to electors.

Any proposal for amendment of the Charter ordered submitted to the electors by the Board of Supervisors on its own motion shall be so ordered pursuant to the provisions of applicable State law with the further limitations imposed as follows:

(a) Introduction; referral to committee; committee report. A proposed Charter amendment must be introduced by a Board member at a regular Board meeting held not less than 154 days prior to the election at which it is to be acted upon by the electors. Upon introduction, it must be referred to an appropriate Board committee for public hearing.

(b) Referral to City Attorney. Immediately after its reference to committee, any proposed Charter amendment which has not been prepared or approved as to form by the City Attorney shall be transmitted by the Clerk to the City Attorney for preparation or approval as to form. The City Attorney shall return it to the Board prepared or approved as to form, or a negative report in lieu thereof, within 10 days after receipt from the Clerk.

(c) Controller's statement. Immediately after reference to committee and preparation or approval as to form by the City Attorney, such proposed Charter amendment shall be referred by the Clerk to the Controller, and the committee shall not report it to the Board, nor shall the Board order it submitted to the electors, prior to receipt of the Controller's written statement pursuant to Charter Section 9.112, analyzing the proposal as to its cost and effect upon the tax rate. The Controller's statement shall be submitted to the Board within 21 days after his receipt of the proposed Charter amendment.

(d) Referral to Civil Service Commission and Retirement System. Immediately after its reference to committee and preparation or approval as to form by the City Attorney, any proposed Charter amendment which affects personal services shall be referred by the Clerk to the Civil Service Commission and the Retirement System for report as to the effect thereof, if any, upon matters within their respective jurisdictions. Such reports shall be submitted to the Board within 21 days after their receipt of the proposed Charter amendment.

(e) Amendments to proposed Charter amendments. An amendment of substance to a proposed Charter amendment, submitted to the Board or a Board committee, shall be referred by the Clerk to the City Attorney for preparation or approval as to form and shall be returned to the Clerk by the City Attorney within 7 days after receipt. Thereupon, the Clerk shall transmit it to the Controller, and to the Civil Service Commission and Retirement System when appropriate; and they shall report to the Board thereon within 10 days after receipt.

(f) The committee before which a proposed Charter amendment, or an amendment thereto, is pending, shall not report it to the Board, and the Board shall not order it submitted to the electors, prior to receipt of said reports, but in the event that all or any of such reports are not received within said time limitations, such committee and Board action shall be permissible.

(g) At least 7 days must intervene between the first appearance of a proposed Charter amendment before the Board as a referral from committee, and any Board order of submission to the electorate. Said order, if any, must be made not less than 85 days prior to the election mentioned herein.

Sec. 2.31. Proposal to be in form of resolution; drafting, contents, introduction to board and referral of resolution.

The proposal provided for by section 2.30 of this Code must be introduced by a member of the board of supervisors at a regular meeting of the board in the form of a resolution determining that the public interest or necessity demands the acquisition, construction or completion of any municipal improvement. The resolution shall have been

prepared in final form by the city attorney, and the engineering and other data required by the city attorney to properly draft the resolution shall be furnished him at least 10 days before the meeting at which the resolution is to be introduced. Such resolution must be so introduced not less than 169 days before the election at which such proposal is to be acted upon by the voters. Such resolution shall be accompanied by descriptive and engineering data and all other pertinent material in sufficiently complete detail to permit the committee and the board to pass upon the merits of the proposal, and to permit the preparation of reports and recommendations hereinafter required of the controller and advisory agency. Upon introduction, each such resolution shall be referred to a committee of the Board of Supervisors.

Sec. 2.34. Time of adoption of resolution before election; time of passage of ordinance ordering election.

The resolution provided for by section 2.31 of this Code shall be adopted by the Board of Supervisors not less than 141 days before the election at which such proposal is to be acted upon by the voters. At any meeting of the Board subsequent to that at which the resolution is adopted, but not less than 99 days before such election, the Board may finally pass an ordinance ordering the submission of such proposal to the qualified voters of the city and county at an election held for that purpose.

DOCUMENTS
FEB 4 1974
SAN FRANCISCO PUBLIC LIBRARY

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by adding Chapter 32 thereto, reading as follows:

CHAPTER 32

RESIDENTIAL REHABILITATION LOAN PROGRAM

Article I. In General.

Sec. 32.1 Purpose.

This chapter provides for the administration and financing of a Rehabilitation Assistance Program (RAP) in the City and County of San Francisco. The provisions of this chapter constitute the City's comprehensive residential rehabilitation financing program adopted pursuant to the Marks-Foran Residential Rehabilitation Act of 1973, Section 27910, et seq., of the Health and Safety Code and under Charter Section 7.308, if and when it is ratified by the State Legislature. The purpose of RAP is to improve the condition of housing and the quality of life in San Francisco by providing a means through which property owners in designated residential areas in San Francisco which are deteriorating may obtain financial assistance to rehabilitate their property. It shall be the policy of RAP to maintain the existing diversity of San Francisco's neighborhoods, to encourage the existence of low and moderate income housing, and to preserve the residential character of designated areas. The methods to be used consist of concentrated code enforcement, relocation assistance, low-cost, long-term loans for property rehabilitation, and public improvements necessary to ensure the successful rehabilitation of the area, and it shall be the policy of the City to provide adequate funding for these purposes as funds are available.

Sec. 32.2. Definitions.

Unless the context otherwise requires, the following definitions

govern the construction of this chapter:

(a) "Abatement Appeals Board" means the Board described in Sections 203.1 through 203.1.G of the San Francisco Building Code.

(b) "Area Rent Committee" means the committee established in accordance with section 32.34.

(c) "Bonds" means any bonds, notes, interim certificates, debentures, or other obligations issued by the City pursuant to this chapter and which are payable exclusively from revenues, as defined, and from any other funds specified in this chapter upon which the bonds may be made a charge and from which they are payable.

(d) "City" means the City and County of San Francisco.

(e) "Citizens Advisory Committee" means the committee established in accordance with section 32.30.

(f) "Code enforcement area" has the same meaning as "residential rehabilitation area."

(g) "Conventional RAP loan" means any residential rehabilitation loan made pursuant to the provisions of this chapter which is not a hardship loan.

(h) "Designated area" has the same meaning as "residential rehabilitation area."

(i) "Financing" means the lending of money or any other thing of value for the purpose of residential rehabilitation and unless otherwise indicated includes refinancing of outstanding indebtedness of a participating party with respect to property which is subject to residential rehabilitation.

(j) "General property improvements" means those items of residential rehabilitation which are not necessary to remedy either existing violations of the City Housing Code or other applicable City Codes relating to the physical conditions of structures, or incipient violations thereof.

(k) "Hardship loan" means a loan of not more than $3,500 made to a low-income owner-occupant of property requiring residential rehabilitation made pursuant to Article VIII of this chapter.

(l) "Incipient Code Violation" is a physical condition which can be expected to deteriorate into a violation of a rehabilitation standard within two years.

(m) "Loan Committee" means the committee established in accordance with section 32.32.

(n) "Participating party" means any person, company, corporation, partnership, firm or other entity or group of entities requiring financing for residential rehabilitation pursuant to the provisions of this chapter.

(o) "Program" means the Rehabilitation Assistance Program described in this chapter and includes, but is not limited to, the provisions for code enforcement, rehabilitation financing, and installation of public improvements in residential rehabilitation areas.

(p) "Rehabilitation Assistance Program" or "RAP" has the same meaning as "program."

(q) "Rehabilitation standards" means the standards established in the City Housing Code and other applicable City codes relating to the physical condition of structures.

(r) "Residence" means any structure, residential or commercial, which is located in a residential rehabilitation area.

(s) "Residential rehabilitation" means the construction, reconstruction, renovation, replacement, extension, repair, betterment, equipping, developing, embellishing, or otherwise improving residences consistent with standards of strength, effectiveness, fire resistance, durability, and safety, so that such structures are satisfactory and safe to occupy for residential purposes and are not conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime because of any one or more of the following factors:

(1) Defective design and character of physical construction.

(2) Faulty interior arrangement and exterior spacing.

(3) Inadequate provisions for ventilation, lighting and sanitation.

(4) Obsolescence, deterioration and dilapidation.

(t) "Residential rehabilitation area" means the geographical area designated by the Board of Supervisors as one for inclusion in a comprehensive residential rehabilitation financing program pursuant to the provisions of this chapter. It may also be referred to as the "designated area" or the "Code enforcement area," the latter term being used in Sec. 301A of the Housing Code.

(u) "Residential rehabilitation loan fund" means the fund established with the proceeds of bonds issued pursuant to the provisions of this chapter.

(v) "Revenues" means all amounts received as repayment of principal, interest, and all other charges received for, and all other income and receipts derived by, the City and County of San Francisco from the financing of residential rehabilitation, including moneys deposited in a sinking, redemption or reserve fund, or other fund, to secure the bonds or to provide for the payment of the principal of, or interest on, the bonds, and such other moneys as the Board of Supervisors may, in its discretion, make available therefor.

Sec. 32.3 References to public officials and public agencies.

(a) Unless otherwise indicated, all public officials and public agencies named in this chapter are officials and agencies of the City.

(b) Whenever a City official is referred to in this chapter, the reference includes that official and his or her designee or designees.

(c) All references to the Charter or to ordinances are references to the Charter or to ordinances of the City.

Article II. Responsibilities of Board of Supervisors.

Sec. 32.10. Issuance of bonds.

The Board of Supervisors may from time to time by resolution authorize procedures for the issuance of bonds for the purpose of establishing a loan fund to be used to assist property owners with the rehabilitation of property located in residential rehabilitation areas. The repayment of principal, interest and other charges on the loans to property owners, together with such other moneys as the Board of Supervisors may, in its discretion, make available therefor, shall be the sole source of funds pledged by the City for repayment of such bonds. Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt or liability of the City or a pledge of the faith and credit of the City, but shall be payable solely from the funds specified in this section. The issuance of such bonds shall not directly, indirectly or contingently obligate the Board of Supervisors to levy or to pledge any form of taxation whatever therefor, or to make any appropriation for their payment.

Sec. 32.11. Commitment to enforce rehabilitation standards and implement plan for public improvements.

Prior to using funds generated by the issuance of bonds pursuant to this chapter for financing residential rehabilitation in any residential rehabilitation area, the Board of Supervisors shall adopt a resolution committing the City, subject to budgetary and fiscal limitations, to:

(a) Enforcement of rehabilitation standards in ninety-five per cent of the structures in the residential rehabilitation area; and

(b) Implementation of plan for public improvements in the residential rehabilitation area, which plan has been developed with citizen participation and adopted by the Board of Supervisors after a public hearing.

Enforcement of rehabilitation standards shall be deemed to have been completed when a structure has been brought into compliance with rehabilitation standards; when a structure is the subject of litigation directed to requiring compliance with rehabilitation standards; or when the owner of a structure is given a deferred time by the Abatement Appeals Board for compliance with specified rehabilitation standards which do not constitute immediate life hazards as that term is defined by the Director of the Department of Public Works.

Sec. 32.12. Designation of residential rehabilitation areas.

The Board of Supervisors shall be responsible for designating, upon the recommendation of the Chief Administrative Officer, residential rehabilitation areas following the procedures and criteria provided for in Article V.

Sec. 32.13. Approval of fees, charges and interest rates on financing.

The Board of Supervisors shall, upon the recommendation of the Chief Administrative Officer, approve by resolution prior to levy, all fees, charges and interest rates to be charged participating parties in connection with financing residential rehabilitation.

Sec. 32.14. Revision of loan charges.

Prior to any revision of the fees, charges and interest rates for financing residential rehabilitation, the Board of Supervisors shall prescribe standards for the revision of such fees, charges and interest rates. Such standards:

(a) Shall be adopted by the Board of Supervisors after a public hearing preceded by public notice to affected parties; and

(b) May reflect only changes in interest rates on the City's bonds, losses due to defaults, and bona fide changes in loan servicing charges related to the administration of a program under the provisions of this chapter.

Article III. Administration of Program.

Sec. 32.20. Responsibility for administration of program.

The Chief Administrative Officer shall be responsible for administration of all aspects of the Rehabilitation Assistance Program except those aspects for which responsibility is specifically retained by the Board of Supervisors or assigned by the Board of Supervisors to another City agency. The Chief Administrative Officer, and each City agency assigned responsibilities by or pursuant to this chapter, shall have all such authority as may be reasonably necessary to carry out those responsibilities. While retaining overall responsibility for administration of the program, the Chief Administrative Officer shall utilize the services of the Department of Public Works in connection with the code enforcement aspects of the program, and the services of the Real Estate Department in connection with the rehabilitation financing aspects of the program. The Chief Administrative Officer may also request the assistance of any other City agency in meeting his or her responsibilities under this program.

Sec. 32.21. Rules and Regulations.

The Chief Administrative Officer shall promulgate such rules and regulations as he or she may deem appropriate to carry out the provisions of this chapter. These rules and regulations shall be developed with the participation of the Citizen Advisory Committees. A copy of all such rules and regulations shall be available for review by the public during regular business hours in the office of the Chief Administrative Officer, the office of the Clerk of the Board of Supervisors, the Department of Public Works, and in every other office established for the purpose of carrying out this program.

Sec. 32.22. Management of bond proceeds.

Unless provided otherwise in any bond resolution adopted pursuant

to the provisions of this chapter, the Chief Administrative Officer, acting on the recommendation of the Controller:

(a) May invest and reinvest both the bond proceeds and the revenues from the financing of residential rehabilitation; and

(b) May manage fiscally the proceeds of bonds issued for the purpose of establishing a residential rehabilitation loan fund; or

(c) Together with the Purchaser may enter into contractual arrangement with private lending institutions or trust companies to manage the residential rehabilitation loan fund, including investment and reinvestment of the funds, disbursements from the fund and collection of revenues.

Sec. 32.23. Recommendation of fees, charges, and interest rates on financing.

The Chief Administrative Officer, acting on the advice of the Controller, shall recommend to the Board of Supervisors for adoption:

(a) The fees, charges and interest rates which will be charged participating parties in connection with financing residential rehabilitation; and

(b) Revisions, as necessary, of the fees, charges and interest rates levied on participating parties, consistent with the standards adopted by the Board of Supervisors pursuant to Section 32.14.

Sec. 32.24. Notice of defaults and foreclosures.

When there is a default on a conventional RAP loan secured by a deed of trust naming the City as a beneficiary and the property becomes subject to foreclosure procedures, the Chief Administrative Officer shall so inform the Citizens Advisory Committee for the residential rehabilitation area where the property is located.

Sec. 32.25. Publication of explanatory brochure.

Subject to funds being available, the Chief Administrative Officer shall cause to be published and available to the public a brochure describing RAP and how it affects both tenants and property owners.

Article IV. Citizens Advisory Committee, Area Loan Committee and Area Rent Committee

Sec. 32.30. Citizens Advisory Committee - Membership.

(a) There shall be established a Citizens Advisory Committee for each residential rehabilitation area. Each Citizens Advisory Committee

(b) Property owners shall constitute not less than forty per cent of the Citizens Advisory Committee or a percentage equal to the number of owners of property located in the area divided by the total of the number of such property owners and the number of rental units in the area, less ten percentage points, whichever is the larger percentage.

(c) Tenants shall constitute not more than forty per cent of the Citizens Advisory Committee or a percentage equal to the number of rental units in the area divided by the total of the number of owners of property in the area and the number of rental units in the area, less ten percentage points, which ever is the lesser percentage. Tenant representatives shall be residents of the designated area.

(d) Representatives of organized community groups shall constitute not more than twenty per cent of the Citizens Advisory Committee. The representatives shall be residents of the designated area. The status of a representative of a community group as a tenant or as a property owner shall not be considered for the purpose of determining compliance with subsections (b) and (c). Where there are no organized community groups in the area, the twenty per cent allocation shall be equally divided and given to the property owner and tenant constituency on the committee.

(e) If the number of nominees for any constituency enumerated in paragraphs (b), (c) and (d) on the Citizens Advisory Committee exceeds the number of openings for that constituency, a publicly announced election shall be held to select the members of that constituency and only members of that constituency may vote in that election.

(f) Wherever reasonably possible, the numbers of owners and dwelling units shall be determined according to the most recent decennial census for which data is available. All computations, nominations, appointments and elections necessary to carry out the purposes of this section shall be in accordance with rules and regulations promulgated by the Chief Administrative Officer.

Sec. 32.31. Citizens Advisory Committee -- functions.

The functions of the Citizens Advisory Committee include the following:

(a) Assist the Director of Planning and other relevant City

departments in developing a plan for public improvements in the residential rehabilitation area;

(b) Participate with the Chief Administrative Officer in development of the rules and regulations governing implementation of the program;

(c) Assist the Chief Administrative Officer in implementation of the residential rehabilitation program in the residential rehabilitation area;

(d) Appoint a representative from the residential rehabilitation area to the Loan Committee;

(e) Appoint members of the Area Rent Committee;

(f) Develop by-laws for the operation of the Citizens Advisory Committee, which by-laws shall be subject to the approval of the Chief Administrative Officer;

(g) Assist the Chief Administrative Officer in his or her selection of the liaison staff; and

(h) Act as liaison between the Chief Administrative Officer and the owners of property in and residents of the residential rehabilitation area in solving problems which arise in the course of implementation of the program.

Sec. 32.32. Loan Committee -- membership.

There shall be a Loan Committee consisting of the following members:

(a) One individual from each residential rehabilitation area who shall be appointed by the Citizens Advisory Committee for the area;

(b) One individual who is a permanent employee of the Real Estate Department; and

(c) One individual qualified in the field of real estate lending and financing who shall be appointed by the Chief Administrative Officer, unless provided otherwise in any bond resolution issued pursuant to the provisions of this chapter.

Sec. 32.33. Loan Committee -- functions.

The functions of Loan Committees are as follows:

(1) The Loan Committee shall periodically review the rules and procedures and standards for the granting of residential rehabilitation loans and shall recommend changes as needed to the Chief Administrative Officer.

(2) The Loan Committee shall review and recommend approval or denial of applications required to be considered by the Loan Committee by or pursuant to this chapter.

(3) The Loan Committee shall operate in a manner consistent with by-laws which shall be developed by the Chief Administrative Officer, and the recommendations of approval or denial of loan applications shall be in accordance with the requirements contained in, or adopted pursuant to, this chapter.

Sec. 32.34. Area Rent Committee.

There shall be an Area Rent Committee established in each residential rehabilitation area. Each Area Rent Committee shall consist of two tenants and two landlords living in the area who shall be appointed by the Citizens Advisory Committee pursuant to procedures established by the Chief Administrative Officer.

Article V. Designation of Residential Rehabilitation Areas and Development of Plans for Public Improvements.

Sec. 32.40. Provisions supersede Section 301.A of Housing Code.

The provisions of this article control designation of areas for residential rehabilitation assistance without regard to the provisions of section 301.A of the Housing Code.

Sec. 32.41. Initial selection of areas for designation as residential rehabilitation areas by the Director of Planning.

(a) The Director of Planning shall recommend to the Chief Administrative Officer areas to be considered for designation by the Board of Supervisors.

(b) Prior to recommending an area, the Director of Planning shall conduct one or more public meetings in the area. Residents, property owners and representatives of neighborhood organizations shall be invited to attend these meetings. At these meetings the Director of Planning shall explain the Rehabilitation Assistance Program, shall invite comments from the public and shall raise for discussion the following issues:

(1) Would rent increases or demolitions resulting from the cost of meeting rehabilitation standards result in widespread displacement

of tenants;

(2) Would RAP assist neighborhood-initiated improvement programs;

(3) Would RAP preserve and improve the social, ethnic, and economic integration of the area; and

(4) Is there support from residents of the area and from the owners of property in the area for institution of the RAP.

(c) In deciding whether to recommend an area for designation as a residential rehabilitation area, the Director of Planning shall take into consideration the comments from and the discussions with the public at the hearings held pursuant to subsection (b). With each recommendation of a residential rehabilitation area, the Director of Planning shall convey an opinion to the Chief Administrative Officer concerning the following factors:

(1) The extent of public support for designation of the area as a residential rehabilitation area;

(2) Whether there is a substantial number of deteriorating structures in the area which do not conform to rehabilitation standards;

(3) Whether there is a need for financial assistance for residential rehabilitation to arrest the deterioration of the area;

(4) Whether financing of residential rehabilitation in the area is economically feasible;

(5) Whether rent increases or demolitions resulting from the cost of meeting rehabilitation standards would result in widespread displacement of tenants;

(6) Whether institution of RAP in the area would assist in neighborhood-initiated improvement programs; and

(7) Whether institution of RAP would preserve and improve the social, ethnic, and economic integration of the area.

Sec. 32.42. Recommendation of an area for designation as a residential rehabilitation area by the Chief Administrative Officer.

If, after reviewing the recommendation of the Director of Planning for designation of an area, the Chief Administrative Officer is satisfied that the area is appropriate for designation as a residential rehabilitation area, the Chief Administrative Officer shall recommend

to the Board of Supervisors that it designate the area as a residential rehabilitation area. Along with any recommendation of an area for designation as a residential rehabilitation area, the Chief Administrative Officer shall transmit to the Board of Supervisors the Director of Planning's opinion given pursuant to Section 32.41(c).

Sec. 32.43. Designation of residential rehabilitation areas by the Board of Supervisors.

Residential rehabilitation areas shall be so designated by resolution of the Board of Supervisors following a public hearing and findings that:

(a) There is a substantial number of deteriorating structures in the area which do not conform to rehabilitation standards;

(b) Low-cost, long-term property owner loans are necessary to arrest the deterioration of the area; and

(c) Based on currently available data and past experience with residential rehabilitation assistance projects (including experience with Federally Assisted Code Enforcement areas), financing of residential rehabilitation in the area is economically feasible.

Sec. 32.44. Plan for public improvements.

With the participation of the Citizens Advisory Committee, and in consultation with other relevant City agencies, the Director of Planning shall develop a proposed plan for public improvements for each residential rehabilitation area. The proposed plan for public improvements for each area shall include all items the Director of Planning deems necessary to the successful rehabilitation of the residential rehabilitation area and shall include consideration of health, recreation, child care, education, culture and safety facilities and services. The Director of Planning shall submit the proposed plan for public improvements in a residential rehabilitation area to the Board of Supervisors. Prior to submittal of the plan for public improvements to the Board of Supervisors, the Director of Planning shall transmit it to the Citizens Advisory Committee for its recommendations. The Citizens Advisory Committee's recommendations shall be transmitted to the Board of Supervisors along with the proposed plan. The Board of Supervisors shall consider the plan at a public hearing. After such modification of the proposed plan, if any, as the Board of Supervisors deems necessary, the Board shall adopt a plan for public improvements for

that area.

Article VI. Limitations on Amount of Loan.

Sec. 32.50. Maximum indebtedness on property.

Outstanding loans on the property to be rehabilitated, including the amount of the loan for rehabilitation, shall not exceed eighty per cent of the anticipated after-rehabilitation value of the property to be rehabilitated, as determined by the Chief Administrative Officer, except that the Chief Administrative Officer may authorize loans of up to ninety-five per cent of the anticipated after-rehabilitation value of the property if:

(a) Such loans are made for the purpose of rehabilitating the property for residential purposes;

(b) There is demonstrated need for such higher limit; and

(c) There is a high probability that the value of the property will not be impaired during the term of the loan.

Sec. 32.51. Maximum amount of loan.

The maximum loans for rehabilitation shall be as follows: single family $17,500; two-three units, $10,000 per unit; four or more units, $7,500 per unit; commercial, $5,000 per unit. For the purpose of computing the maximum amount of a loan, a guest room, as defined in Section 203.7 of the Housing Code, shall be considered as one-tenth of a dwelling unit, and a guest room with cooking facilities as one-fifth of a dwelling unit. The Chief Administrative Officer may approve a loan in excess of these amounts following guidelines established by the Chief Administrative Officer; provided that in no case may the loan exceed $17,500 per unit.

Sec. 32.52. Limitations on use of loan for general property improvements.

No more than twenty per cent of any loan for residential rehabilitation shall be used for general property improvements, except that in the case of owner-occupied, one-to-four dwelling unit properties, up to forty per cent of the loan may be used for general property improvements.

Sec. 32.53. Refinancing.

(a) A loan may be made to refinance an existing indebtedness on a residence if the cost of meeting rehabilitation standards and correcting incipient violations thereof for the residence equals at least

twenty-five per cent of the principal amount of the loan; and

(1) If the sum of the monthly principal and interest payments on the proposed loan for rehabilitation and the monthly payments on existing debt secured by the property, plus property taxes and insurance, would result in total monthly payments that would exceed twenty per cent of the applicant's total monthly income; or

(2) If the Loan Committee recommends approval of refinancing and the recommendation is accepted by the Chief Administrative Officer;

(b) If the Chief Administrative Officer does not accept the recommendation of the Loan Committee regarding refinancing, he or she shall give written reasons for the refusal to accept such recommendation.

(c) In deciding whether to recommend that refinancing be made available to any particular applicant, the Loan Committee shall adhere to guidelines for refinancing which shall be adopted by the Chief Administrative Officer. In developing guidelines for refinancing, the Chief Administrative Officer shall take into consideration the availability of funds for financing residential rehabilitation, the need to prevent significant rent increases which would result in a hardship for tenants, and the need to prevent speculators from profiting from the use of residential rehabilitation financing.

Sec. 32.54. Limitation based on fair market value of work.

(a) Prior to the granting of any loan under this chapter a qualified estimator will make an on-premises inspection of the applicant's property and certify in writing that the estimated cost of the recommended work as detailed in the job specifications is not more than ten per cent above fair market value. No loan will be granted in an amount exceeding ten per cent of fair market value for the work specified, or higher than the lowest bid received, whichever is less, without the approval of the Chief Administrative Officer. Further, prior to the payment of the last installment due under the contract the estimator will make an on-premises inspection and sign a certificate of completion certifying that the work as outlined in the job specifications has been completed.

(b) A qualified estimator is a person:

(1) Who is not a City employee; but

(2) Who is selected by the Chief Administrative Officer because he or she is qualified and experienced in the area of residential rehabilitation.

The estimator shall operate under the direction of the Director of the Real Estate Department.

(c) The Chief Administrative Officer shall, semi-annually, direct a report to the Board of Supervisors setting forth a list of the loans which were in excess of ten per cent of the estimated fair market value pursuant to the provisions of paragraph (a) giving the reasons for approval in each case.

Article VII. Terms of Conventional RAP Loans.

Sec. 32.60. Eligibility for loans.

(a) Each owner of property located within a residential rehabilitation area is eligible for a conventional RAP loan provided the owner demonstrates to the satisfaction of the Chief Administrative Officer the ability to repay such a loan, applies for the loan within a time period to be designated by the Chief Administrative Officer, and can meet the other requirements of this chapter. The property owner shall agree to all conditions of the loan agreement as a prerequisite to obtaining a loan. No elective officer of the state or any of its subdivisions shall be eligible to receive a loan under the provisions of this chapter.

(b) Any owner who is denied a loan by the Chief Administrative Officer on the grounds that the owner does not meet eligibility requirements may appeal the decision to the Loan Committee. The Loan Committee shall review the application for a loan and make a recommendation regarding approval or denial to the Chief Administrative Officer. In reviewing the application, the Loan Committee shall give due consideration to the need for the loan to be made in order to accomplish the purposes of the program, the risks to the City of granting the loan, and the ability of the property to support the loan as well as to the reasons for denial of the application by the Chief Administrative Officer. If the Chief Administrative Officer does not accept the recommendation of the Loan Committee, he or she shall give written reasons for the refusal to approve the loan.

Sec. 32.61. Maximum repayment period for loan; initiation of payments after rehabilitation.

(a) The maximum repayment period for a conventional RAP loan shall be twenty years or three-fourths of the economic life of the property,

whichever is less.

(b) Subject to budgetary and fiscal limitations, payments on a conventional RAP loan shall not be required to commence prior to completion of the improvements for which such loan is made; provided that payments shall begin no later than six months after an initial disbursement from proceeds of the loan. The monthly payment due under the loan shall be adjusted to insure repayment of the principal and interest due on the loan within the time required by paragraph (a) of this section.

Sec. 32.62. Prepayment penalties.

There shall be no penalty assessed for prepayment of any conventional RAP loan.

Sec. 32.63. Security for loan.

Unless provided otherwise in any bond resolution issued pursuant to the provisions of this chapter, every conventional RAP loan shall be secured by a deed of trust naming the City as beneficiary of the trust.

Sec. 32.64. Insurance.

All conventional RAP loan agreements shall provide that so long as the loan or any portion of it is outstanding, the owner of the property subject to the loan shall carry adequate property insurance. The Chief Administrative Officer shall establish standards for determining when property insurance is adequate.

Sec. 32.65. Impound account.

If the Chief Administrative Officer deems it desirable and necessary to effectuate the purposes of the program that an impound account be required to assure taxes, insurance, or a maintenance reserve, he or she may include such a requirement in any conventional RAP loan agreement.

Sec. 32.66. Transfer of loans.

(a) The unpaid amount of a conventional RAP loan shall be due and payable upon sale or transfer of the ownership of the property, except that assignment of the unpaid amount of such a loan to a purchaser or transferee may be permitted when the Chief Administrative Officer determines that hardship conditions exist and the prospective owner qualifies for a loan on the basis of current loan eligibility

(3) When the negotiations between the parties to obtain [illegible]

standards.

(b) If the holder of a conventional RAP loan is dissatisfied with the Chief Administrative Officer's refusal to permit transfer of the unpaid amount of the loan because of a finding that hardship conditions do not exist, the holder of the loan may request review of the Chief Administrative Officer's determination by the Loan Committee. If the Loan Committee recommends a finding that hardship conditions exist, the Chief Administrative Officer shall either accept that recommendation or give written reasons for the refusal to accept it.

(c) Hardship conditions exist:

(1) When the owner of property subject to a conventional RAP loan is forced to sell the property and the property cannot be sold without a substantial loss of equity unless the loan is transferable.

(2) When the income of a prospective purchaser of property subject to a conventional RAP loan is at or below income standards to be established by the Chief Administrative Officer, or

(3) When the prospective purchaser is unable to obtain financing in the private sector because of age, disability or sex; or

(4) When transfer of the loan is necessary to prevent significant rent increases.

(d) The Chief Administrative Officer shall develop standards which shall be applied in making determinations required under this section.

Sec. 32.67. Interest rates and other loan charges.

The interest rate and any other charges for a conventional RAP loan shall be established pursuant to the provisions of sections 32.13 and 32.23, and may include:

(a) the interest charged the City on funds borrowed to carry out the provisions of this chapter;

(b) an amount needed to provide for possible defaults on outstanding loans;

(c) an amount to cover the cost of servicing loan accounts;

(d) an amount to cover the cost of making hardship loans (as provided for in Article VIII); and

(e) an amount to cover the costs of issuing bonds.

Sec. 32.68. Variable interest rate.

In connection with a conventional RAP loan, the loan agreement may provide for a variable interest rate. If the loan agreement does provide for a variable interest rate, the terms of the loan agreement and any change in the interest rate or other charges shall conform to the requirements of section 37917 of the Health and Safety Code of the State of California relating to the use of variable interest rates in connection with financing residential rehabilitation.

Sec. 32.69. Tenant moving costs and right of first refusal.

(a) All conventional RAP loan agreements shall provide that, in the case of dwelling units which must be vacated because of residential rehabilitation to be performed on the structure where they are located,

(1) The property owner is responsible for paying the reasonable cost of moving expenses only of each household displaced; maximum moving expense shall not be in excess of $300;

right of first refusal to occupy that unit when rehabilitation of the property is completed;

(3) The property owner shall give each tenant affected written notice thirty days prior to the date the tenant must vacate of the right to have no more than $300 of the reasonable cost of moving the household paid, of the right to first refusal to occupy the unit vacated when rehabilitation of the property is completed; of the possibility of the tenant's eligibility for relocation assistance as stated in Section 32.90; and

(4) A copy of the notice specified in clause (3) shall be forwarded to the Chief Administrative Officer.

(b) The anticipated cost of moving households affected by residential rehabilitation may be included in the property owner's loan.

(c) The determination of the amount of moving expenses due a tenant shall be made by the Central Relocation Service of the Mayor's Office using the standard schedule for such computation.

Sec. 32.70. Open housing.

All conventional RAP loan agreements shall provide that so long as the loan or any portion of it is outstanding the property shall be open, upon sale or rental of all or any portion thereof, to all persons regardless of race, color, religion, national origin or ancestry.

Sec. 32.71. Equal employment opportunity.

All conventional RAP loan agreements shall provide that all contracts and subcontracts let for residential rehabilitation financed under this chapter are to be let without regard to the race, sex, marital status, color, religion, national origin or ancestry of the contractor or subcontractor. Further, all conventional RAP loan agreements shall provide that any contractor or subcontractor engaged in residential rehabilitation financed under this chapter must agree to provide equal opportunity for employment without regard to race, sex, marital status, color, religion, national origin or ancestry.

Sec. 32.71-1. Performance of work by licensed general building contractor.

A licensed general building contractor having in his contract more than two unrelated building trades or crafts may do or superintend

the whole or any part of residential rehabilitation without regard to the provisions of Section E I of the Plumbing Code or Section 41 of the Electrical Code.

Sec. 32.72. Enforcement of loan provisions.

The provisions of Section 32.70 and the provisions of Section 32.71 as they relate to enforcement of nondiscrimination on the basis of race, sex, marital status, color, religion, national origin or ancestry, are enforceable by the Human Rights Commission. The enforcement powers, responsibilities and procedures of the Human Rights Commission set forth in Chapters 12A and 12B of the San Francisco Administrative Code shall be applicable to carry out the Commission's responsibilities under this chapter. In addition, pursuant to rules to be adopted by the Chief Administrative Officer, violation of the loan agreement provisions required by Sections 32.6[illegible], 32.70 and 32.71 may result in any outstanding financing obtained pursuant to the loan agreement becoming immediately due and payable.

Sec. 32.73. Rent increase limitations.

(a) The property owner shall agree that during the time any conventional RAP loan is outstanding, rent for any dwelling unit in the rehabilitated residence shall not exceed the base rent plus actual increased costs to the owner in the form of monthly loan payments, property taxes, insurance, maintenance, and annual adjustments tied to the Bay Area cost of living index.

(b) The Chief Administrative Officer shall calculate the annual cost of living adjustment on the basis of the Bay Area cost of living index as of January 1 each year, and shall announce to both property owners and tenants the adjustment no later than thirty days following publication of such figures by the United States Department of Commerce.

(c) Base rent date is the 180th day preceding the date of designation of the area for residential rehabilitation by the Board of Supervisors or the date ten days preceding the first public meeting conducted in a residential rehabilitation area by the Director of Planning, whichever is earlier in time.

(d) Base rent for a dwelling unit is the rent charged for the dwelling unit on the base rent date; except that if no rent was being

charged on the base rent date, or if the property owner believes that the rent charged on the base rent date was unreasonably low due to special conditions, the property owner may petition the Chief Administrative Officer to establish a base rent or to revise the base. The Chief Administrative Officer shall give notice and an opportunity to comment in writing to tenants to be affected by the Chief Administrative Officer's decision. In establishing or revising the base rent, the Chief Administrative Officer shall take into consideration the rent charged on the base rent date for comparable units within the same building; the rent charged on the base rent date for comparable units in the immediate neighborhood; and any special or unusual circumstances affecting the rent charged on the base rent date for the subject unit.

(e) Any property owner who petitions the Chief Administrative Officer to establish or revise the base rent and any tenant occupying a unit for which such a petition is brought by the property owner may appeal the base rent to the Area Rent Committee. Unless the Area Rent Committee decides otherwise by a vote of three, the decision of the Chief Administrative Officer shall stand.

Sec. 32.74. Rent increase protest procedures.

When a tenant believes that the rent for his or her dwelling unit has been increased above the amounts allowed under Section 32.73, the tenant may file a complaint with the Citizens Advisory Committee or the Chief Administrative Officer. The procedures for handling the complaint follow:

(a) The Chief Administrative Officer shall investigate the tenant's complaint and shall render a decision, if at all possible, not more than thirty days after receiving the complaint;

(b) If the Chief Administrative Officer determines that the complaint is valid, the property owner shall reduce the rent to the amount allowable under Section 32.73 and rebate the excess amount collected within fifteen days of notice of the decision unless an appeal is filed with the Area Rent Committee within seven days of notice of the Chief Administrative Officer's decision;

(c) If an appeal from the Chief Administrative Officer's decision is filed, by either a tenant or the property owner, the complaint shall

be heard by the Area Rent Committee, and it shall be heard within thirty days of the decision of the Chief Administrative Officer;

(d) If, on appeal, three members of the Area Rent Committee cannot agree on a decision, the decision of the Chief Administrative Officer stands as the decision of the Area Rent Committee; and

(e) If the property owner is found to have violated the rent increase limitations, the property owner shall reduce the rent to the amount allowable under Section 32.73 and within fifteen days of the decision of the Area Rent Committee, the property owner shall rebate the excess amount of rent collected.

Sec. 32.75. Sanctions for violation of rent increase limitations.

If a property owner refuses to rebate excess rent collected in violation of the provisions of Section 32.73, or if the property owner has been found to be repeatedly violating the rent increase limitations, or if the property owner evicts, attempts to evict, or threatens to evict tenants seeking their rights under this chapter, the Chief Administrative Officer may declare the conventional RAP loan agreement terminated, and the unpaid amount of the loan shall immediately become due and payable. In determining whether to declare a loan agreement terminated, the Chief Administrative Officer shall consider any recommendations of the Citizens Advisory Committee for the residential rehabilitation area where the property subject to the loan is located.

Article VIII. Hardship Loans.

Sec. 32.80. Hardship loan--availability and purpose.

The provisions of this article shall apply when a hardship loan fund is established. The purpose of the hardship loan fund shall be to provide financial assistance in the form of interest-free loans with deferred payments of principal to low-income-owner-occupants of property subject to residential rehabilitation who would not otherwise be able to pay the costs of meeting rehabilitation standards. Hardship loan funds are to be used only for meeting rehabilitation standards, and incipient violations thereof.

Sec. 32.81. Maximum amount of loan and eligibility.

(a) A hardship loan of up to $3,500 can be made to a low-income applicant who is the owner-occupant of a one to four dwelling unit

building.

(b) To be eligible for a hardship loan the applicant must demonstrate to the satisfaction of the Chief Administrative Officer that with a conventional RAP loan the applicant's housing costs would exceed twenty-five percent of gross income, and that the applicant does not have other assets to meet the cost of residential rehabilitation without jeopardizing the applicant's ability to be self-supporting in the future.

Sec. 32.82. Term of hardship loan.

A hardship loan shall be due and payable at the end of nineteen years. It shall also be due and payable at the time of transfer of the property unless the hardship loan is transferred pursuant to Section 32.83.

Sec. 32.83. Transferability of hardship loan.

(a) Upon conveyance of property subject to a hardship loan, the hardship loan may be converted to a conventional RAP loan and assigned to the transferee of the property under the same circumstances and upon the same terms as are applicable to the transfer of a conventional RAP loan as provided in Section 32.66. The total remaining period of the loan may not extend beyond twenty years from the date of the original loan.

(b) Upon transfer of property subject to a hardship loan, or an interest therein, to a spouse or heir who is otherwise eligible for a hardship loan, if the spouse or heir so chooses, the hardship loan shall be transferred to the spouse or heir.

If the owner of property subject to a hardship loan dies, and the hardship loan is not repaid or transferred to another person within one year of the owner's death, the loan shall, as of one year from the date of the owner's death, bear interest at the then current interest rate charged for conventional RAP loans which were made in the same year as the hardship loan.

Sec. 32.84. Use in conjunction with the conventional Rehabilitation Assistance Program Loan.

A conventional rehabilitation assistance loan may be used to supplement a hardship loan provided the property owner otherwise

qualifies for a conventional RAP loan.

Sec. 32.85. Security.

Unless provided otherwise in any bond resolution issued pursuant to the provisions of this chapter, hardship loans shall be secured by a deed of trust naming the City as beneficiary of the trust.

Sec. 32.86. Additional loan terms.

Each provision required to be contained in a conventional RAP loan agreement pursuant to Sections 32.69 through 32.75 shall also be contained in each hardship loan agreement.

Sec. 32.87. Source of funds.

Any funds given to or received by the City specifically for the purpose of establishing a hardship loan fund may be accepted by the Chief Administrative Officer and may be accepted by that purpose. In addition, the Board of Supervisors may, from time to time, appropriate funds for a hardship loan fund.

Article IX. Miscellaneous provisions.

Sec. 32.90. Tenant displacement assistance.

In addition to moving costs, a tenant displaced because of rehabilitation of the dwelling unit or building in which the tenant lives may be eligible for relocation assistance under the City's Special Rent Assistance Program under the Central Relocation Service of the Mayor's Office. The Chief Administrative Officer shall make reasonable efforts to make any resources available for assisting persons displaced by this program known to them. The City shall be responsible for the relocation of all tenants in residential units displaced due to the program subject to the availability of Federal and State funds for this purpose; and until such funds are available all reasonable efforts shall be made to minimize or avoid displacement of tenants.

Sec. 32.91. Use of money earned on investments.

Unless provided otherwise in any bond resolution issued pursuant to the provisions of this chapter, any money earned from investment of bond proceeds or payments on residential rehabilitation loans shall be used to establish a hardship loan fund and a relocation assistance fund. The allocation of such money between these two funds

by the resolution of the Board of Supervisors.

Sec. 32.92. Conversion to state or federal program.

In the event that funds for rehabilitation loans become available through a state or federal program on more favorable terms than conventional RAP loans, every effort shall be made to convert to the use of such loans in existing residential rehabilitation areas.

Sec. 32.93. Availability of rehabilitation financing in FACE areas.

(a) The rehabilitation financing provisions of the chapter shall be available to complete the projects in the three existing Federally Assisted Code Enforcement areas: Bernal Heights, Duboce Triangle, and Alamo Square. Nothing in this chapter shall be construed or applied to prevent the proceeds of bonds issued pursuant to the provisions of this chapter from being used to finance residential rehabilitation in these three areas, and financing for residential rehabilitation in these areas shall be the first priority for use of the proceeds of such bonds.

(b) The Citizens Advisory Committees previously established in Bernal Heights, Duboce Triangle and Alamo Square shall be the Citizens Advisory Committees required by this chapter without regard to Section 32.30.

(c) For the purposes of this chapter, Bernal Heights, Duboce Triangle and Alamo Square shall be deemed designated as residential rehabilitation areas as of the date on which this ordinance becomes effective.

Sec. 32.94. Construction and effect of chapter.

The provisions of this chapter, being necessary for the welfare of the City and County of San Francisco and its inhabitants, shall be liberally construed to effect its purposes.

Sec. 32.95. Severability.

If any provision of this chapter, or the application thereof to any person or circumstance, is held invalid, the validity of the remainder of the chapter and the applicability of such provisions to other persons and circumstances shall not be affected thereby.

ORDINANCE VACATING A PORTION OF JERROLD AVENUE WITHIN THE HUNTERS POINT APPROVED REDEVELOPMENT AREA.

Be it Ordained by the People of the City and County of San Francisco:

Section 1. On December 3, 1973, the Board of Supervisors adopted Resolution No. 812-73 , to vacate a portion of Jerrold Avenue as shown on Diagram SUR 2073, a copy of which is on file in the office of the Clerk of the Board of Supervisors, which resolution was approved by the Mayor on December 13, 1973.

Section 2. The Clerk of the Board of Supervisors did transmit to the Department of Public Works a certified copy of said resolution, and said Department did, upon receipt of said certified resolution, cause to be posted, in the manner and as required by law, notice of the passage of said resolution.

Section 3. When said matter was considered as scheduled by the Board of Supervisors at its regular meeting held in the City Hall, San Francisco, on January 2, 1974, beginning at 2:00 PM, no persons protested or objected to the proposed vacation.

Section 4. The public interest and convenience require the vacation to be done as declared in said Resolution No. 812-73.

Section 5. The Board of Supervisors has acquired jurisdiction to order said vacation provided for in Resolution No. 6317 adopted December 12,1968, and Resolution No. 6547 adopted June 18, 1970, of the City Planning Commission which provides for the said vacation of said portion of Jerrold Avenue.

Section 6. The vacation shall be done subject to the conditions as set forth in the Declaration of Intention to Order the said Vacation.

Section 7. The said portion of Jerrold Avenue is hereby ordered vacated and said vacation shall become effective upon completion of all conditions of this legislation and when a deed thereto from the City to the Redevelopment Agency of the City and County of San Francisco has been recorded. Provided further that this legislation shall be null and void if the deed to the subject street area has not been recorded within two years from the date of adoption of this ordinance.

Section 8. The Mayor and the Clerk of the Board of Supervisors, on behalf of the City, be and they are hereby authorized to execute, and the Director of Property shall deliver a quitclaim deed to said Redevelopment Agency of the City's interest in the land within said street area. Where applicable, the deed shall be subject to the reservations set forth in said Declaration of Intention.

Section 9. The Clerk of the Board of Supervisors is hereby directed to transmit to the Recorder and the Department of Public Works, a certified copy of this Ordinance and the said Recorder and Department of Public Works are hereby directed to proceed thereafter as required by law.

AMENDING ARTICLE 1 OF PART II, CHAPTER II, SAN FRANCISCO MUNICIPAL CODE (CITY PLANNING CODE) BY ADDING SECTIONS 160 THROUGH ~~166~~ 167 TO PROVIDE SPECIAL INTERIM CONTROLS RELATING TO BUILDING SET-BACKS; REAR YARDS; DWELLING UNITS ON LIGHT COURTS; SCREENING OF PARKING; AND COVERAGE, REAR YARDS AND PARKING IN CONVERSION OF DWELLINGS; TO APPLY IN WHOLE OR IN PART IN R-2, R-3, R-3.5, R-4 AND R-5 ZONING DISTRICTS, ~~FOR A PERIOD OF ONE YEAR~~ UNTIL JULY 1, 1976 DURING DEVELOPMENT OF PERMANENT REVISIONS FOR RESIDENTIAL ZONING; AND ESTABLISHING CUT OFF DATE FOR FILING OF PERMIT APPLICATIONS.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Article 1 of Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by adding thereto Sections 160 through ~~166~~ 167 reading as follows:

SEC. 160. Special Interim Controls for Certain Residential Districts.

(a) Purposes. The special interim controls for certain Residential zoning districts set forth in Sections 160 through ~~166~~ 167 are adopted to provide additional zoning safeguards during the comprehensive study and review process that will develop permanent districts and standards for revision of residential zoning in San Francisco. These interim controls are found and declared to be necessary to fulfill the purposes of this Code as stated in Section 101 hereof, and especially to assure or encourage the moderation of building size in accordance with the established scale of surrounding development; the protection and enhancement of open spaces in building set-backs and rear yard areas; and the retention and renovation of older buildings.

(b) Duration. These special interim controls shall be applicable ~~for the period of one year following their effective date~~ until July 1, 1976, after which period these Sections 160 through ~~166~~ 167 shall be of no further force or effect.

(c) Where applicable. Except where otherwise specifically indicated therein, these Sections 160 through ~~166~~ 167 shall be applicable to dwellings and boarding houses not exceeding a height of 65 feet and located in the districts indicated in each Section, excluding C and M districts and Residential-Commercial Combining districts in which the standards of such R districts are otherwise applicable, and excluding any Redevelopment Project Area for which a Redevelopment Plan has heretofore been adopted.

(d) Relationship to other standards. The provisions of these Sections 160 through ~~166~~ 167 shall apply in addition to all other applicable provisions of this Code. In cases of inconsistency among provisions, the most restrictive provision shall prevail unless the contrary is specifically stated in these Sections 160 through ~~166~~ 167.

SEC. 161. Special Set-back Requirements. There shall be special set-back requirements related to existing front set-backs of adjacent buildings, as specified in this Section. These requirements shall apply in R-2, R-3, R-3.5, R-4 and R-5 districts.

(a) Basic requirement. Where one or both of the buildings adjacent to the subject property have front set-backs along a street or alley, any building or addition constructed, reconstructed or relocated on the subject property shall be set back to the average of the two adjacent front set-backs. If one of such adjacent buildings has no front set-back, then the required set-back for the subject property shall be equal to one-half the front set-back of the other such adjacent building. In any case in which open land is situated between the subject property and the nearest building along the street or alley, such nearest building shall be deemed to be an "adjacent building".

(b) Alternative method of averaging. If, under the rules stated in subsection (a) above, an averaging is required between two adjacent front set-backs, or between one adjacent set-back and another adjacent building with no set-back, the required set-back on the subject property may alternatively be averaged in an irregular manner within the depth between the set-backs of the two adjacent buildings; provided that the area of the resulting set-back shall be at least equal to the product of the width of the subject property along the street or alley times the set-back depth required by subsection (a) above; and provided further that all portions of the resulting set-back area on the subject property shall be directly exposed laterally to the set-back area of the adjacent building having the greater set-back. In any case in which this alternative method of averaging has been used for the subject property, the

extent of the front set-back on the subject property for purposes of subsection (c) below relating to subsequent development on an adjacent site, and for purposes of Section 162(b) relating to reduction of the rear yard requirement on the subject property, shall be considered to be as required by subsection (a) above, in the form of a single line parallel to the street or alley.

(c) Method of measurement. The extent of the front set-back of each adjacent building shall be taken as the horizontal distance from the property line along the street or alley to the building wall closest to such property line, excluding all projections from such wall and excluding any garage as described in Section 403 of this Code. The required set-back area on the subject property shall be subject to all the requirements of Article 4 of this Code for set-back lines, together with the exceptions stated therein.

(d) Maximum requirements for interior lots. The maximum required set-back for an interior lot, other than as specified in subsection (e) below, shall be 15 feet; provided, that if both adjacent buildings have front set-backs greater than 15 feet the required set-back shall be equal to the lesser of the two adjacent front set-backs, up to a maximum requirement of 30 feet. Under certain circumstances the rear yard requirement shall be reduced where a set-back is required, as described in Section 162(b) below.

(e) Applicability to corner lots and lots at alley intersections. This Section 161 shall be applicable to a corner lot as defined by this Code, or to a lot at the intersection of a street and an alley or two alleys, only along the street or alley on which such lot has the shorter of its two street or alley frontages. On such frontage, the required set-back for the subject lot shall be equal to the front set-back of the adjacent building, up to a maximum requirement of 15 feet. Under certain circumstances the rear yard requirement shall be reduced where a set-back is required, as described in Section 162(b) below.

(f) Landscaping. All set-back areas required by this Section 161 shall be appropriately landscaped.

SEC. 162. Special Rear Yard Requirements. There shall be special rear yard requirements for the districts indicated in this Section. Every such required rear yard shall be open and unobstructed, except as provided herein and in Section 126 of this Code.

(a) Minimum depth. Except as otherwise provided in subsections (b) and (e) below, the minimum depth of such required rear yard shall be 45 feet in R-2, R-3 and R-3.5 districts, and 35 feet in R-4 and R-5 districts, for a lot with a depth of 100 feet; it shall be increased by six inches for each one foot by which a lot is deeper than 100 feet; and it shall be reduced by six inches for each one foot by which a lot is less than 100 feet in depth, but in no case shall it be thus reduced to less than 15 feet. All yard requirements shall be measured at grade level.

(b) Compensation for required set-back. Where a front set-back is required by Section 161 or by Article 4 of this Code, the minimum depth of rear yard required by subsection (a) above or subsection (e) below shall be reduced by an amount equal to the depth of such required front set-back; provided that in no case shall the minimum rear yard depth be thus reduced to less than the average of the two rear yard depths of the buildings adjacent to the subject property or the rear yard depth of the one adjacent building when the subject property is a corner lot, or to less than 15 feet, whichever produces the greater rear yard requirement. In any case in which open land is situated between the subject property and the nearest building to the side of such property, such nearest building shall be deemed to be an "adjacent building".

(c) Location of parking. With the exception of garages which are under ground or under decks, as permitted by Section 126(m) of this Code, no driveway, parking space or maneuvering area for parking shall occupy any part of a required rear yard in an R-2, R-3 or R-3.5 district, or any part of the rear 25 feet of depth of a required rear yard in an R-4 or R-5 district. All driveways, parking spaces and maneuvering areas occupying any part of a required rear yard in an R-4 or R-5 district, in front of such rear 25 feet of depth, shall be completely enclosed by a building, and such building shall at no point extend more than 10 feet above existing grade. All driveways, parking spaces and maneuvering areas within buildings in R-2, R-3, R-3.5, R-4 and R-5 districts shall be screened and confined by a rear building wall.

(d) Development of surfaces. All surfaces in required rear yard areas, including the roof decks over any permitted driveways, parking spaces and maneuvering areas for parking, shall be developed as usable open space as defined by this Code. The minimum requirements for usable open space in R-3 and R-3.5 districts, as more specifically set forth in Section 134.1 of this Code, shall also continue to apply in said districts.

(e) Reductions for corner lots. In the case of a corner lot as defined by this Code, the minimum depth of rear yard required by subsection (a) above shall be reduced by 10 feet, but in no case shall the minimum rear yard depth be thus reduced to less than 15 feet. In addition, in the case of a corner lot, the requirement of subsection (c) above as to the portion of the rear yard in an R-4 or R-5 district not to be occupied by driveways, parking spaces and maneuvering areas for parking shall be reduced to the rear 20 feet of depth of the required rear yard, provided the other requirements of said subsection (c) are met.

(f) Exemption of full blocks. Where vacant land or land containing no dwellings or boarding houses, bounded on all sides by public streets, public alleys, public open spaces or C and M districts, or any combination thereof, is developed as a unit, the provisions of this Section 162 shall not apply.

SEC. 163. Special Requirements for Exposure of Dwelling Units. The requirements of Section 134.2 of this Code, for dwelling units to face directly on a minimum open area in R-3 and R-3.5 districts, shall also apply in the same manner in R-4 and R-5 districts.

SEC. 164. Special Requirements for Screening of Parking. In an R-2, R-3, R-3.5, R-4 or R-5 district, every off-street parking space within a building shall be screened from all streets and alley through use of garage doors or by some other means.

SEC. 165. Special Provisions for Coverage and Rear Yards in Conversion of Dwellings. Notwithstanding the limitations of Section 108 of this Code with regard to lot coverage and rear yards, a dwelling in an R-3, R-3.5, R-4 or R-5 district may be converted so as to accommodate an increased number of dwelling units regardless of any failure of the existing building to meet the requirements of this Code with respect to lot coverage and rear yard, provided the following conditions are met:

(a) The building and its occupancy must exist lawfully before the conversion;

(b) The floor space to be converted must already be a dwelling unit or units;

(c) There shall be no enlargement of the building in its exterior dimensions;

(d) Except as otherwise provided in Section 108, the converted building shall conform to the other requirements of this Code, including but not limited to those for dwelling unit density, usable open space and off-street parking; and

(e) No existing open space on the lot shall be eliminated as a result of the conversion.

SEC. 166. Special Provisions for Conditional Uses Regarding Parking in Conversion of Dwellings. Notwithstanding the requirements of Sections 135 and 138 of this Code, a conditional use may be authorized by the City Planning Commission under Section 303 of this Code to permit the conversion of a lawfully existing dwelling in an R-3, R-3.5, R-4 or R-5 district to accommodate an increased number of dwelling units, without provision of off-street parking for such additional dwelling units, subject to the limitations of this Section.

(a) Eligibility. The proposed conversion shall:

1. Occur in the course of renovation of the building;
2. Result in a total number of dwelling units not exceeding the density that would be permitted for a lot of the same size in an R-2 district, as described in Section 128 of this Code, excluding transitional use situations and excluding the provisions of Section 203.2(e) and (f); and
3. Be for a property on which the off-street parking otherwise required for the number of dwelling units sought cannot be provided without major structural change, or alterations to the building or lot that would destroy the architectural integrity of the building or significant landscaping.

(b) Criteria. In acting upon any such application the Planning Commission shall consider, in addition to the requirements stated in Section 303(c), the extent to which the applicant has demonstrated that:

1. The renovation of the building and grounds will be of high quality, and will result in housing of a type needed by large numbers of people in the community, preferably for occupancy by families with children;
2. The number of dwelling units sought is essential to the feasibility of retaining and renovating the building; and
3. As much off-street parking will be provided as possible, within the intent of paragraph (a)3 above, by means of interior alterations, use of tandem and compact car spaces, parking on other nearby properties in accordance with Section 144 of this Code, and other available means.

SEC. 167. Effect of Special Interim Controls on Permit Applications. Notwithstanding the provisions of Sections 150(c) and 302(f) and (g) of this Code, a building may be completed and used in accordance with the provisions of this Code and the Building Code in effect prior to the City Planning Code amendments establishing interim controls for Residential zoning districts under Board of Supervisors File No. 654-73 if, and only if, an application for a building permit (as distinguished from a site, foundation, grading, steel erection or other specialized type of permit) for said building was filed in accordance with Section 301.B of the Building Code prior to the close of business on December 18, 1973, accompanied by such plans and specifications as are necessary to meet the provisions of the Building Code and other provisions of law in force on said date, and if said application or said permit is not thereafter cancelled or revoked in accordance with the provisions of the Building Code.

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTION 16.98 THEREOF, REVISING RESIDENCE REQUIREMENTS FOR PERSONS MAKING APPLICATION FOR OFFICES AND EMPLOYMENTS IN THE CITY AND COUNTY SERVICE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by amending Section 16.98 thereof, to read as follows:

Sec. 16.98. Requirements for Persons Entering Service.

Except as otherwise provided in the Charter, the residence requirements for applicants for appointment to offices and employments shall be as follows:

(a) Applicants for entrance positions in the uniformed forces of the Police and Fire Departments shall have been residents of San Francisco for the one year period immediately prior to the last date for receipt of applications.

(b) For all other offices and employments residence requirements shall be as follows:

(1) General provisions. Applicants for entrance positions must have been residents of San Francisco for the one year period immediately prior to the last date for receipt of applications, if the position is subject to civil service examination, or the date of application if the position is exempt from civil service examination. This requirement may be waived or modified to current residence in San Francisco if the Civil Service Commission finds that such waiver or modification is necessary to attract a sufficient number of qualified applicants based on current or prior experience in recruitment. Such waiver or modification may also be made with respect to positions not subject to civil service examination upon application of the appointing officer to the Civil Service Commission.

BOARD OF SUPERVISORS

(2) Specially funded programs. The residence requirements for specially funded program applicants where the funding agency sets special residence requirements shall be subject to the approval of the Civil Service Commission.

(3) Exceptions. San Francisco residence shall not be required for: promotional examinations; entrance examinations in those cases wherein the applicant is an employee of the city and county meeting legal residence requirements applicable to employees; positions outside of the city and county; positions requiring a four-year college or university degree or professional registration or licensing in engineering, medicine, nursing, probation, or other field, except in those cases where the Civil Service Commission anticipates on the basis of past experience that a sufficient number of qualified applications will be received from residents of San Francisco; and those examinations for which the filing period must be extended beyond three weeks for the express purpose of recruiting a sufficient number of qualified applicants.

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING CHAPTER 31 THEREOF TO PROVIDE THAT A DRAFT ENVIRONMENTAL IMPACT REPORT MUST INCLUDE ESTIMATED ENERGY REQUIREMENTS.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by amending Section 31.26 to read as follows:

SEC. 31.26. Draft Environmental Impact Reports.

(a) When an environmental impact report (EIR) is required, it shall be prepared by the Department of City Planning. The EIR shall at first be prepared as a draft report.

(b) The applicant or the board, commission or department that is to carry out or approve the project shall submit to the Department of City Planning such data and information as may be necessary to prepare the draft EIR. If such data and information are not submitted, work by the Department of City Planning on the draft EIR shall be suspended. The data and information submitted may, at the request of the Department of City Planning, be in the form of all or part of the draft EIR itself, although the Department of City Planning and the City Planning Commission shall ultimately be responsible for the adequacy, accuracy and objectivity of the final EIR when it is certified by the Commission to be complete.

(c) During preparation of the draft EIR, the Department of City Planning may consult with any person having knowledge or interest concerning the project. If it has not already done so in accordance with Section 31.23(d) above, in cases in which the project is to be carried out or approved by more than one public agency, the Department shall consult with all other public agencies that are to carry out or approve the project.

(d) The draft EIR shall include a description of the project, a description of the environmental setting, a description and assessment of environmental effects of the project, and other elements, all as set forth in the State Guidelines. The Department of City Planning may establish more definitive requirements for report content, consistent with CEQA and the State Guidelines, in the course of developing report formats and instructions.

(e) The draft EIR shall also include the following information about the energy requirements for operation of the project:

1. The connected kilowatt load; the estimated average kilowatt hours of monthly consumption required to service all electrical needs, both in absolute amount and per square foot of interior floor space; and the anticipated daily and annual electric load distribution curves.

2. The estimated average consumption of fossil fuels in British Thermal Units per square foot of interior floor space as well as the magnitude of the peak consumption of such fuels. In the case of natural gas, the anticipated daily and annual load distribution curves shall be included.

(f) When the draft EIR has been prepared in full, the Department of City Planning shall file a notice of completion with the Secretary of the California Resources Agency. Such notice shall describe the project proposed and its location, and shall state the address where copies of the draft EIR are available. A copy of such notice, or a separate notice containing the same information, shall thereupon be posted in the offices of the Department and mailed to the applicant and the board, commission or department that is to carry out or approve the project. A copy of the draft EIR shall be provided to the applicant and to such board, commission or department.

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTIONS 12B.1, 12B.2 AND 12B.4 THEREOF, DEFINING LEASES, FRANCHISES, CONCESSIONS AND SUBORDINATE AGREEMENTS THEREUNDER AS CONTRACTS, AND PROHIBITING EMPLOYMENT DISCRIMINATION BECAUSE OF AGE.

DOCUMENTS
MAR 25 1974
SAN FRANCISCO PUBLIC LIBRARY

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by amending Sections 12B.1, 12B.2 and 12B.4 thereof, to read as follows:

Sec. 12B.1.

All contracting agencies of the City and County of San Francisco, or any department thereof, acting for or on behalf of the City and County, shall include in all contracts, franchises, leases, concessions or other agreements involving real or personal property, hereafter negotiated, let, awarded, granted, renegotiated, extended or renewed, in any manner or as to any portion thereof, a provision obligating the contractor, franchisee, lessee, concessionaire, or other party to said agreement not to discriminate on the ground or because of race, color, creed, national origin, ancestry, age, sex or sexual orientation, against any employee of, or applicant for employment with, such contractor, franchisee, lessee, or concessionaire, and shall require such contractor, franchisee, lessee or concessionaire to include a similar provision in all subcontracts, subleases or other subordinate agreements let, awarded, negotiated or entered into thereunder.

(a) Definitions. As used in this chapter the term:

"Age" refers to and shall include any employee or applicant for employment who has attained the age of forty (40) years and has not attained the age of sixty-five (65) years. For the purposes of this section, discrimination because of age shall mean dismissal from employment of, or refusal to employ or rehire any person because of his age, if such person has attained the age of forty (40) years and has not attained the age of sixty-five (65) years, if the person is

is physically able and mentally competent to perform the services required. Age limitations of apprenticeship programs in which the State or its political subdivisions participate shall not be considered discriminatory within the meaning of this section.

"Contract" shall mean and include an agreement to provide labor, materials, supplies or services in the performance of a contract, franchise, concession or lease granted, let or awarded for and on behalf of the City and County of San Francisco.

"Contractor" means any person or persons, firm, partnership, corporation, or combination thereof, who submits a bid and/or enters into a contract with department heads and officers empowered by law to enter into contracts on the part of the City and County for public works or improvements to be performed, or for a franchise, concession or lease of property, or for goods, services or supplies to be purchased, at the expense of the City and County or to be paid out of moneys deposited in the treasury or out of trust moneys under the control or collected by the City and County.

"Subcontractor" means any person or persons, firm, partnership, corporation or any combination thereof, who enters into a contract or agreement with the contractor to perform a substantial specified portion of the contract for public works, improvements, supplies, goods or services, or for a lease, franchise or concession, let, granted or awarded for or on behalf of the City and County in accordance with the plans and specifications of such contract. Such term shall include any contractor who enters into a contract with any subcontractor for the performance of 10 per cent or more of the subcontract.

"Subcontract" shall mean and include an agreement or contract under or subordinate to a prime contract, franchise, lease or concession granted, let or awarded for or on behalf of the City and County of San Francisco.

"Concession" includes a grant of land or other property by or on behalf of the City and County of San Francisco to a person for the purpose or use specified in said grant.

"Concessionaire" shall mean and include a person who is the grantee or beneficiary of a concession as herein defined.

"Franchise" shall mean and include a right or privilege conferred by grant from the City and County of San Francisco, or any contracting agency thereof, and vested in and authorizing a person to conduct such business or engage in such activity as is specified in said grant.

"Franchisee" shall mean and include a person who is the grantee or beneficiary of a franchise as herein defined.

"Lease" shall mean and include a contract by which the City and County of San Francisco, or any contracting agency thereof, grants to a person the temporary possession and use of property, for reward, and the latter agrees to return the same to the former at a future time.

"Lessee" shall mean and include a person or tenant taking possession of property under a lease as herein provided, and further includes a bailee under a bailment agreement providing a rental for personal property.

"Sublease" shall mean and include a lease by which a lessee or tenant grants or lets to another person part or all of the leased property for a shorter term and under which said lessee or tenant retains some right or interest under the original lease.

"Sex" shall mean the character of being male or female.

"Sexual orientation" shall mean the choice of human adult sexual partner according to gender.

"Supplier" means any person or persons, firm, partnership, corporation, or any combination thereof, who submits a bid or enters into a contract with the awarding agency of the City and County, or who submits a bid or enters into a contract with any contractor, subcontractor, lessee, sublessee, franchisee or concessionaire engaged in the performance of a contract let, awarded or granted by or on behalf of the city and county, for the supplying of goods, materials, services, equipment or furnishings.

Sec. 12B.2. Nondiscrimination Provisions of Contract.

Every contract or subcontract for or on behalf of the City and County of San Francisco for public works or for the purchase of goods or services, as provided in Sec.12B.1 hereof, shall contain the provisions following, which shall be known as the nondiscrimination

provisions of such contract.

In the performance of this contract, the contractor, subcontractor or supplier agrees as follows:

(a) Wherever the work is performed or supplies are manufactured in the United States, the contractor, subcontractor or supplier will not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, age, sex, or sexual orientation. The contractor, subcontractor or supplier will take affirmative action to insure that applicants are employed, and that employees are treated equally during employment, without regard to their race, color, religion, ancestry, national origin, age, sex, or sexual orientation. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Nothing in this ordinance shall require or prohibit the establishment of new classifications of employees in any given craft. The provisions of this section with respect to age shall not apply to (1) termination of employment because of the terms or conditions of any bona fide retirement or pension plan, (2) operation of the terms or conditions of any bona fide retirement or pension plan which has the effect of a minimum service requirement, (3) operation of the terms or conditions of any bona fide group or insurance plan. The contractor, subcontractor or supplier agrees to post in conspicuous places, available to employees and applicants or employees and applicants for employment, notices in such form and content as shall be furnished or approved by the awarding authority setting forth the provisions of this section.

(b) Except as in this section provided, or in cases where the law compels or provides for such action, any provisions in any contract agreement or undertaking entered into on or after the effective date of this chapter which prevent or tend to prevent the employment of any person solely by reason of his age, who has attained the age of forty (40) years and has not attained the age of sixty-five (65) years shall be null and void.

(c) The contractor, subcontractor or supplier will, in all solicitations or advertisements for employees placed by or on his behalf, state that qualified applicants will receive consideration for employment without regard to race, creed, color, ancestry, national origin, age, sex, or sexual orientation. Any solicitations or advertisements that satisfy similar requirements under Federal law, subject to the approval of the awarding authority, will also satisfy this requirement.

(d) The contractor, subcontractor or supplier will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, in such form and content as shall be furnished or approved by the awarding authority, advising the said labor union or workers' representative of the contractor's, subcontractor's or supplier's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(e) The contractor, subcontractor or supplier with permit access to his records of employment, employment advertisements, application forms, and other pertinent data and records by the awarding authority, the Fair Employment Practices Commission, or the San Francisco Human Rights Commission, for the purposes of investigation to ascertain compliance with the nondiscrimination provisions of this contract, and on request provide evidence that he has or will comply with the nondiscrimination provisions of this contract.

(f) That contractor, subcontractor or supplier shall be deemed to have breached the nondiscrimination provisions of this contract upon:

(1) A finding by the Director of the San Francisco Human Rights Commission, or such other official who may be designated by the Human Rights Commission, that contractor, subcontractor or supplier has wilfully violated such nondiscrimination provisions; or

(2) A finding by the Fair Employment Practices Commission of the State of California that contractor, subcontractor or supplier has violated any provision of the Fair Employment Practices Act of California or the nondiscrimination provisions of this contract; provided that the Fair Employment Practices Commission has issued a final order

pursuant to Section 1426 of the Labor Code, or has obtained a final injunction pursuant to Section 1429 of the Labor Code; provided further, that for the purposes of this provision, an order or injunction shall not be considered final during the period within which (1) appeal may be taken, or (2) the same has been stayed by order of court, or (3) further proceedings for vacation, reversal or modification are in progress before a competent administrative or judicial tribunal.

(3) Upon such finding by the Director of the Human Rights Commission, or other official designated by the Human Rights Commission, or the Fair Employment Practices Commission, the awarding authority shall notify contractor, subcontractor or supplier that unless he demonstrates to the satisfaction of the Director of the San Francisco Human Rights Commission, or other official designated by the Human Rights Commission, within such reasonable period as the Human Rights Commission shall determine, that the violation has been corrected, action will be taken as set forth in subparagraphs (g) and (h) hereof.

(4) The Human Rights Commission shall, within ten (10) days of the date of issuance of any finding by the Director of the Human Rights Commission or other official designated by the Commission in the enforcement of this chapter, mail to any person or persons affected by said finding, a copy of said finding, together with written notice of his right to appeal. Notice of appeal must be filed in writing with the Chairman of the Commission within 20 days of the date of mailing said copy and notice.

(5) For purposes of appeal proceedings under this section, a quorum shall consist of eight members of the Commission. The vote of the majority of the full Commission shall be necessary to affirm, reverse or modify such decisions, order or other action rendered hereunder. Should a member of the Human Rights Commission be designated under Sec. 12B.2(f) (1) of this contract, that Commissioner may not participate in an appeal under this section except as a witness.

(6) The presiding officer of the Commission shall have the power to administer oaths to witnesses in appeals before the Commission under this section. In the event that any person shall fail or refuse to appear as a witness in any such proceeding after being

requested to do so, and if it shall appear to the Commission that his testimony, or books, records, documents or other things under his control are material and relevant as evidence in the matter under consideration by the Commission in the proceeding, the presiding officer of the Commission may subpoena such person, requiring his presence at the proceeding, and requiring him to bring such books, records, documents or other things under his control.

(7) All appeals to the Human Rights Commission shall be open to the public. Records and minutes shall be kept of such proceedings and shall be open to public inspection. Upon reaching a decision in any appeal, the Commission shall give written notice thereof to the Director of the Human Rights Commission, or other official designated by the Human Rights Commission, and to the appellant or appellants. The decision of the Commission shall be final unless within 15 days of the filing and service of written notice thereof appropriate legal proceedings are filed in a court of competent jurisdiction by any party to this contract.

(8) If any contractor, subcontractor or supplier under contract to the City and County of San Francisco shall fail to appear at an appeal proceeding of the Commission after having been given written notice to appear, such failure to appear shall be grounds for cancellation of the contract or subcontract and such contractor, subcontractor or supplier shall be deemed to have forfeited all rights, benefits and privileges thereunder.

(9) The Human Rights Commission of San Francisco shall promulgate rules and regulations for the implementation of the nondiscrimination provisions of this contract, and such rules and regulations shall, so far as practicable, be similar to those adopted in applicable Federal executive orders.

(g) There may be deducted from the amount payable to the contractor, subcontractor or supplier by the City and County of San Francisco under this contract a penalty of Fifty Dollars ($50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this contract. In

addition to any other penalties herein provided for the violation of the nondiscrimination provisions of this contract or for the failure of any contractor, subcontractor or supplier to abide by the rules and regulations herein contained, this contract may be forthwith canceled, terminated or suspended, in whole or in part, by the contracting agency upon the basis of a finding as set forth in Sec. 12B.2(f) that the contractor, subcontractor or supplier has discriminated contrary to the provisions of this contract, and all moneys due or to become due hereunder may be forfeited to, and retained by, the City and County of San Francisco.

(h) A breach of the nondiscrimination provisions in the performance of this contract shall be deemed by the City and County of San Francisco to be a material breach of contract and basis for determination by the officer, board or awarding authority responsible for the awarding or letting of such contract that the contractor, subcontractor or supplier is an irresponsible bidder as to all future contracts for which such contractor, subcontractor or supplier may submit bids. Such person, firm or corporation shall not for a period of two (2) years thereafter, or until he shall establish and carry out a program in conformity with the nondiscrimination provisions of this contract, be allowed to act as a contractor, subcontractor or supplier under any contract for public works, goods or services for or on behalf of the City and County of San Francisco.

(i) Nothing contained in this contract shall be construed in any manner so as to prevent the City and County of San Francisco from pursuing any other remedies that may be available at law.

(j) Nothing contained in this contract shall be construed in any manner so as to require or permit the hiring of aliens on public works as prohibited by law.

(k) The contractor, subcontractor or supplier will meet the following standards for affirmative compliance:

(1) If the contractor, subcontractor or supplier has been held to be an irresponsible bidder under Sec. 12B.2(h) hereof, he shall furnish evidence that he has established and is carrying out a

program in conformity with the nondiscrimination provisions of this contract.

(2) The contractor, subcontractor or supplier may be required to file with the Human Rights Commission a basic compliance report, which may be a copy of the Federal EEO-1, or a more detailed report as determined by the Commission. Wilful false statements made in such reports shall be punishable as provided by law. No contractor, subcontractor or supplier shall be held in nonconformance for not filing such a report with the Human Rights Commission unless he has been specifically required to do so in writing by the Human Rights Commission.

(3) Personally, or through his representatives, the contractor, subcontractor or supplier shall, through negotiations with the unions with whom he has collective bargaining or other agreements requiring him to obtain or clear his employees through the union, or when he otherwise uses a union as an employment resource, attempt to develop an agreement which will:

(a) Define and outline responsibilities for nondiscrimination in hiring, referral, upgrading and training.

(b) Otherwise implement an affirmative antidiscrimination program in terms of the unions' specific areas of skill and geography, such as an apprenticeship program, to the end that minority workers will be available and given an equal opportunity for employment.

(4) The contractor, subcontractor, supplier or trade association shall notify the contracting agency of opposition to the nondiscrimination provisions of this contract by individuals, firms or organizations during the term of this contract.

Sec. 12B.4. Affirmative Action Guidelines.

In order to be eligible to bid or to have a bid considered by the awarding agency, the contractor in all public works contracts shall submit an affirmative action program which shall meet the requirements of the Human Rights Commission.

The Human Rights Commission may also require contractors, subcontractors and suppliers to take part in a prebid or preaward

conference in order to develop, improve or implement a qualifying affirmative action program.

(a) Affirmative action nondiscrimination programs developed pursuant to this section shall be effective for a period of twelve months next succeeding the date of approval by the Human Rights Commission. Contractors, subcontractors and suppliers who are members in good standing of a trade association which has negotiated an affirmative action nondiscrimination program with the Human Rights Commission may make this association program their commitment for the specific contract upon approval of the Human Rights Commission without the process of a separate prebid or preaward conference. Such an association agreement shall be effective for a period of twelve months next succeeding the date of approval by the Human Rights Commission. Trade associations shall provide the Human Rights Commission with a list of members in good standing in such association. The Human Rights Commission shall annually supply contracting agencies of the City and County with a list of contractors, subcontractors and suppliers who have developed approved affirmative action nondiscrimination programs.

(b) The awarding agency shall be responsible for notifying all prospective bidders of the requirements of this section and also, when requested by Human Rights Commission, for notifying the Human Rights Commission of each contract which is being proposed to be put to public bid.

(c) The proposed affirmative action program required to be submitted under Sec. 12B.4 hereof, and the prebid or preaward conference which may be required by Human Rights Commission, shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

(1) Apprenticeship where approved programs are functioning, and other on-the-job training for nonapprenticeable occupations;

(2) Classroom preparation for the job when not apprenticeable;

(3) Preapprenticeship education and preparation;

(4) Upgrading training and opportunities;

(5) Encouraging the use of contractors, subcontractors and suppliers of all ethnic groups, provided, however, that any contract

subject to this ordinance shall require the contractor, subcontractor

subject to this ordinance shall require the contractor, subcontractor or supplier to provide not less than the prevailing wage, working conditions, and practices generally observed in private industries in the City and County of San Francisco for such work; and

(6) The entry of qualified minority journeymen into the industry.

(d) Affirmative action nondiscrimination agreements resulting from the proposed affirmative action programs or the prebid or pre-award conferences shall not be confidential and may be publicized by the Human Rights Commission at its discretion. In addition, the Human Rights Commission may report to the Board of Supervisors, either on request of the Board or on its own initiative, on the progress or the problems which attend the implementation of these agreements or any other aspect of enforcement of this ordinance.

(e) Any job training or education program using the funds, facilities, or staff of the City and County of San Francisco which, in the judgment of the Board of Supervisors or the Human Rights Commission can make a contribution to the implementation of this ordinance shall submit reports to the Human Rights Commission as requested and shall be required to cooperate with the contractors, subcontractors, suppliers and unions and with the Human Rights Commission for the effectuation of the affirmative action nondiscrimination programs developed under this ordinance.
